Dear Ambassador

I am writing on behalf of the Council and the communities of East Cambridgeshire to express our respect and support to your nation and the people of Ukraine.

It is with great sadness and shock that we have seen events unfold over the past few days. I know these sentiments together with admiration for the bravery of your citizens are shared by all our communities.

The UK has a long history in welcoming people fleeing oppression and we in East Cambridgeshire will do all we can to uphold this tradition.

Whilst this letter will make little or no difference on the ground in your country, I hope it provides some comfort that your brave nation and people are not being forgotten.

Yours sincerely

Councillor Alan Sharp  
**Chairman of Council**
