3.0 Background/Options

3.1 Community safety partnerships (CSPs) are made up of representatives from the 'responsible authorities' which are the police, fire and rescue authorities, probation service, local authorities, and health. The responsible authorities work together to protect their local communities from crime and to help people feel safer. They work out how to deal with local issues like antisocial behaviour, drug or alcohol misuse and reoffending.

3.2 CSPs are scrutinised by crime and disorder overview and scrutiny committees. Under the 2006 Police and Justice Act, councils are under an obligation to allocate this function to one of their committees.

3.3 ECDC's Operational Services Committee is the scrutiny committee for the ECCSP.

3.4 The ECCSP Terms of Reference requires that either the Chair or Vice Chair of the ECCSP provides an update to Operational Services Committee twice a year, for scrutiny purposes.

3.5 The ECCSP last provided an update to Operational Services Committee in November 2024.
